Mari:

It hit me that more than just the order to NY has happened based on our conversation just now – e.g., orders of who needs to appear in. We’ve received no such orders.

Using the case number provided by the CA District Court of the NY case number, I checked the PACER docket for the NY case number and see there’s been a lot of activity since #43. My office hasn’t received anything on this case since 10/4.

Can you forward a ECF email confirmation relaying any of the activity after 10/4 to see what emails are being used for service to my office??

Thank you,  
Ron

Dear Mr. Zambrano,

Following the transfer to New York and reassignment to Judge Woods, the parties have been ordered to prepare a joint filing due October 30 and directed to meet and confer prior to filing the joint letter. We have prepared a first draft of the joint filing, with highlights to indicate where Plaintiff's position needs to be inserted. We have also prepared the civil case management plan and scheduling order as Judge Woods requires, attached. Please review both, provide any additions and return back to us for review Friday prior to the joint filing next week.

Please let us know when you are available to meet and confer this week. We are available tomorrow or Thursday between 12 pm PT – 4 pm PT. Please also let us know if your client has retained New York counsel so they can be included in the joint filing and the meet and confer.

Thank you,

Mari
